Project : Expansion of Water Treatment Facilities - Phase II  
Contract No. HT166PC01

Subject : "Project Handover"

Please be advised that one week Acceptance Test for the Expansion of Water Treatment Facilities - Phase II project has been successfully completed on September 21, 2004.

As such, PCD considers that the project handed over to you effective September 21, 2004 for complete normal operation and routine maintenance. The relocation of the remaining existing facilities will be carried out in close co-ordination with you. We believe that the Punch List items will not adversely affect plant operation and will be completed in a timely manner.

This is for your kind attention and action.
