VISION, MISSION AND VALUES

OUR VISION

To be globally recognized as a leading Construction company in the field of Electrical and Instrumentation System.

OUR MISSION

To render service that consistently meets customer expectations and compliance requirements and enhance customer satisfaction through effective application of work processes in quality, safety and environmental protection for continual improvement.

OUR VALUES

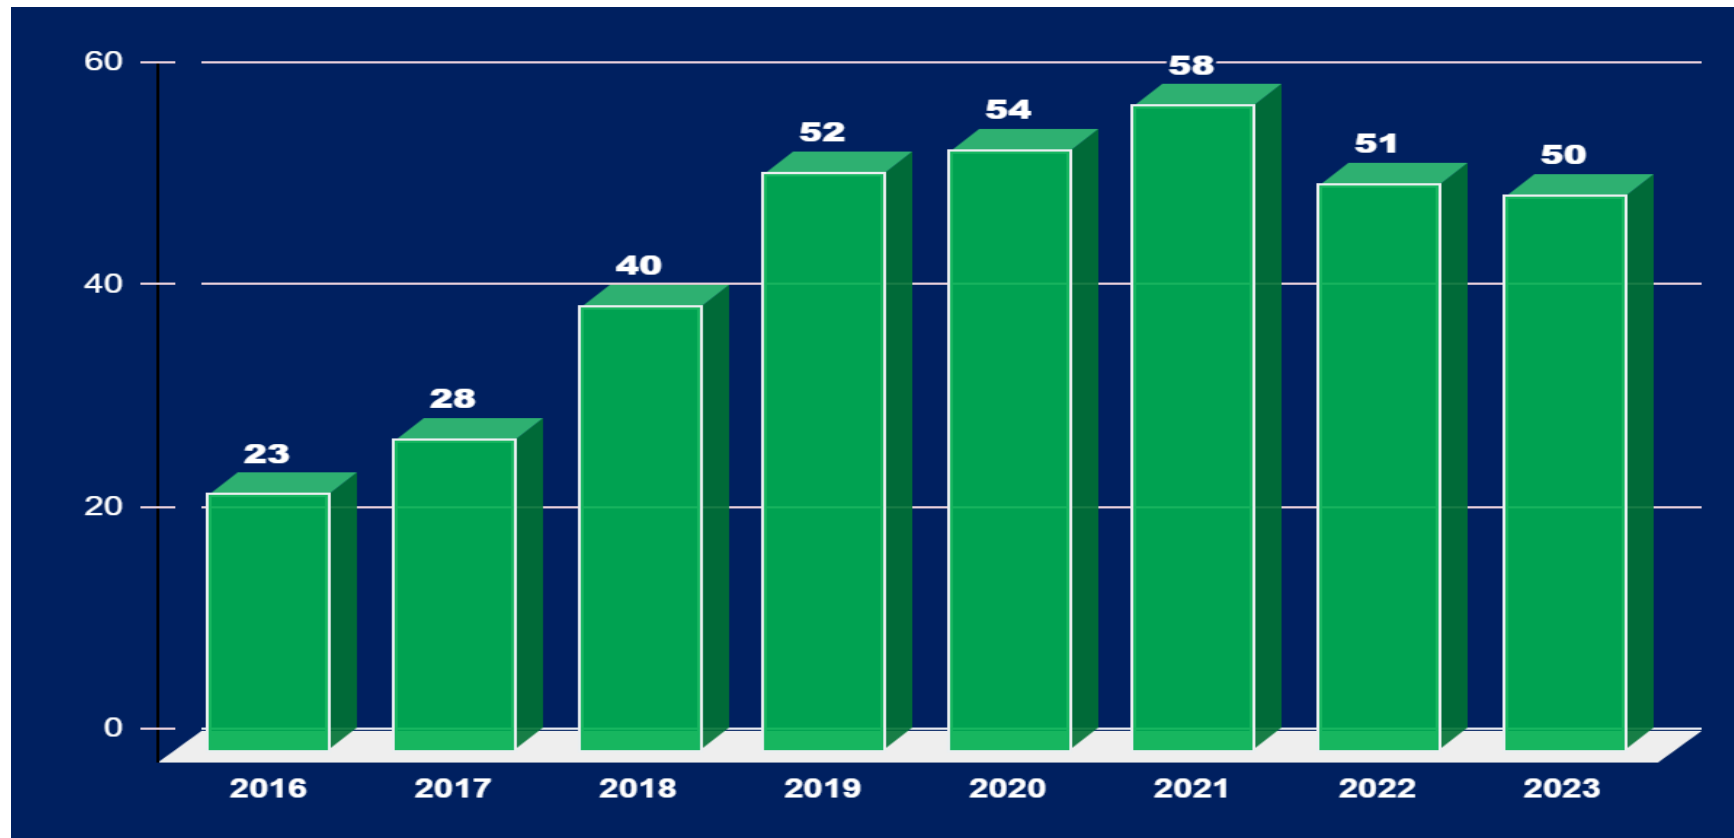

- PEOPLE
 - We respect diversity of people and support their welfare.
 - We commit to the development of our work force.
- PRIDE
 - We take pride of what we do.
 - We are committed to excellence, safety, quality and environment.

CORE BUSINESS

- We want to be a leading Contractor in Saudi Arabia for Mechanical, Electrical and Instrumentation & Control works in order to provide end-to-end solutions in Oil & Gas, Power & Transmission, Water and Infrastructure sector.
- We have 1,100 + people under our sponsorship (direct employees).
- We are an approved Contractor by Saudi Electricity Company for:
 - ✓ EPC projects for HV Electrical Substations (up to 132 kV).
 - ✓ Installation works up to EHV (380 kV).
- We are an approved Contractor by Saudi Aramco for piping and E-I installation works.
- We perform PV solar installation: civil, ramming, mechanical and electrical.
- We have capability to perform civil works.

SAUDIZATION FULLY GREEN

- CGA is not only proud to provide engineering and construction services in Electrical & Instrumentation sector, but we are also committed to fully comply with Saudization in line with IKTVA and Vision 2030.
- We are focused on training and enhancing Saudi people; we have more than 120 Saudi nationals in our workforce, with personalized training and developing plan.
- Below are the IKTVA score achieved with Saudi Aramco in the last 8 years.

SELECTED PROJECTS

PETTORABIGH WATER DESALINATION PLANT

Client: PetroRabigh

Scope of Work:

- EPC of Electrical & Instrumentation & Control Systems
- Testing & Commissioning
- Operation & Maintenance for a period of 20 Years

JUBAIL 3B SEAWATER DESALINATION RO PLANT

Client: Acciona Agua Saudi Arabia Branch for ENGIE/NESMA/AJLAN (Al Jubail International Water Company)

Scope of Work:

- Electrical and I&C works with a capacity of 570,000 m³/day
- Mechanical Platforms

BERRI PROJECT

Client: Saipem for Saudi Aramco

Scope of Work:

- Mechanical, Electrical, Instrumentation & Telecom works executed in brown field

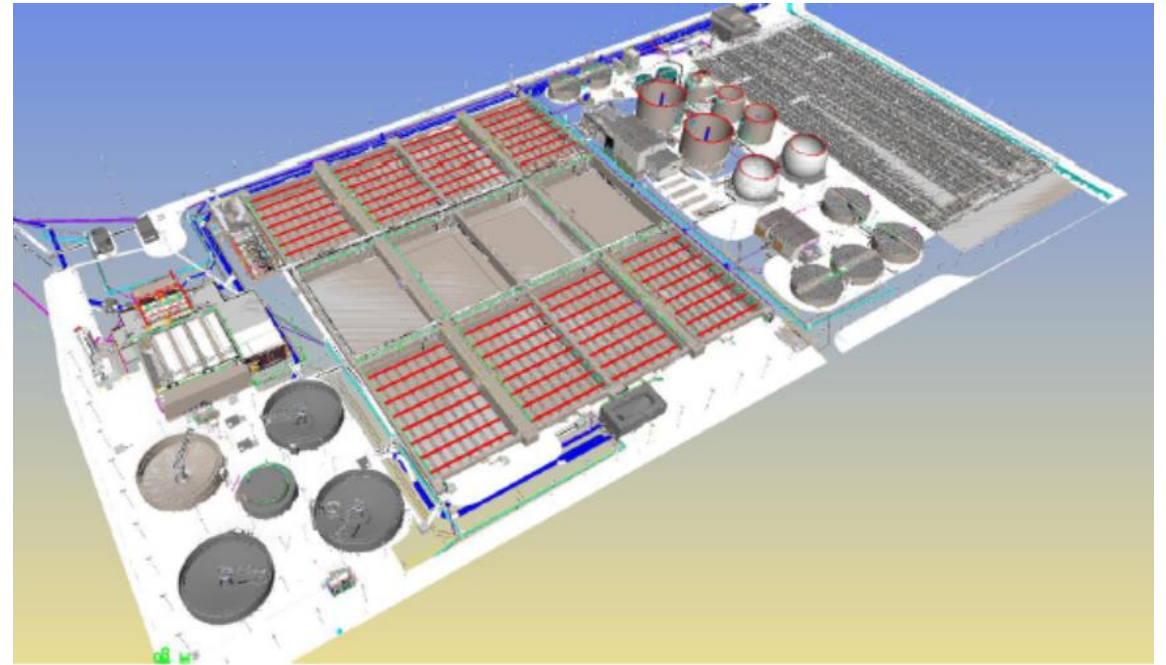

MADINAH 3 ISTEP PROJECT

Client: Acciona for Saudi Water Partnership Company

Scope of Work:

- Mechanical Equipment, Electrical and I&C Installation with a capacity of 200,000 m³/day expandable to 375,000 m³/day
- Testing & Commissioning

SHUQAIQ R.O. DESALINATION PLANT

Client: Acciona for Saudi Water Partnership Company

Scope of Work:

- Electrical & Instrumentation works
- Construction of 132kV Substation

YANBU 4 IWP DESALINATION PLANT

Client: Doosan for Engie/Mowah

Scope of Work:

- Electrical & Instrumentation works with a capacity of 450,000 m³/day

HANIDH SUBSTATION

Client: Saudi Electricity Company

Scope of Work:

- Construction of a new 33/13.8kV Substation
- Civil works
- Manufacturing of Major Project Equipment

TAIF SUBSTATION

Client: Saudi Electricity Company

Scope of Work:

- EPC of a new 33/13.8kV Substation
- Civil Works
- Manufacturing of Major Project Equipment

JEDDAH SUGAR REFINERY

Client: Savola

Scope of Work:

- Electrical, Instruments and Mechanical Works

WAAD AL SHAMAL, INTEGRATED SOLAR COMBINED CYCLE POWER PLANT

Client: General Electric for Saudi Electricity Company

Scope of Work:

- E&I Installation work for Combined Cycle and Solar Thermal Power Plant. with a capacity of 1422 MW and additional 50 MW Solar Thermal

HAWIYAH GAS PLANT EXPANSION

Client: Saipem / Snam Progetti for Saudi Aramco

Scope of Work:

- Electrical & Instrumentation Installation work
- Mechanical Installation work
- Piping erection and welding
- Pipe support installation

YASREF GAS PLANT

Client: Yasref

Fire Protection System EPC2 Crude Distillation Unit Sat Gas Plant and LPG Olefin Saturation Unit

Scope of Work:

- All instruments' activities (Installation & testing, Cable trays, Cables laying, Termination, JBs installation, instruments terminations)

SEC POWER PLANT PP-13, DHURUMA

Client: GAMA Power Systems for Saudi Electricity Company

Scope of Work:

- Electrical and I&C Works for Combined Cycle Power Plant of 2,000 MW

JEDDAH SOUTH THERMAL POWER PLANT, STAGE 1

Client: Hyundai Heavy Industries for Saudi Electricity Company

Scope of Work:

- Electrical & Instrumentation installation works for Power Block #1 & #3

HARADH SOUTH GAS COMPRESSION PLANTS (SGCP) PROJECT

Client: Saipem for Saudi Aramco

Scope of Work:

- Electrical & Instrumentation and Civil works
- Construction supporting activities

RIYADH METRO PROJECT – LINE 3, PACKAGE B

Client: Hitachi Rail for Al Riyadh Development Authority (ADA)

Scope of Work:

- Installation Activities of Electro-Mechanical & Telecommunication works
- Maintenance

KAIA – JEDDAH AIRPORT DEVELOPMENT PROJECT, PHASE 1

Client: SBG/Advanced Vision for General Authority of Civil Aviation

Scope of Work:

- Electrical & Installation works for Airport Data center
- Transportation Center
- Terminal Automated mover stations
- Airport Emergency Response Facility
- ATC Tower
- Haramain Railway Station Airport Connection
- Other activities

KAFD – PUBLIC INVESTMENT FUND (PIF/CMA) TOWER PROJECT

Client: Saudi Binladin Group for KAFD (PIF)

Scope of Work:

- Mechanical, Electrical & Plumbing works
